BSE STATEMENT

Grassland Dairy Products, Inc., Greenwood Milk Products, West Point Dairy Products, LLC (also d/b/a Alcam Creamery), and Graf Creamery, Inc., wholly known as or referred to as Grassland Dairy Products, Inc. for the purpose of this document, manufacture dairy products.

The USDA reports that scientific research indicates that BSE (Bovine Spongiform Encephalopathy) cannot be transmitted in cow's milk. The World Health Organization (WHO) has stated that tests on milk from BSE-infected animals have not shown any BSE infectivity. Milk and milk products, are, therefore considered safe.¹
